Town of Winfield Specifications for Mowing Town Roads - 2013

1. Use the town's mower (Case International Harvester 7' disc mower purchased new in 2006, Model #MDX81). OR, use your own mower with a minimum 7' cut. Please specify which mower you are using. If using own mower, please specify cut width.
2. Cost of tractor, fuel, and labor will be the contractor's responsibility.
3. Proof of liability insurance must be presented to clerk before work begins.
4. Make one 7' minimum cut along each side of the town road where possible.
5. At town board's discretion, road sides will be mowed twice annually.
6. Town board will authorize mowing start dates.
7. Mowing is to be done within 2 weeks of authorization.
8. Grass should be cut to the height of 4" (or keep inside shoe guide just off ground) where practical.
9. Daily maintenance of mower to be contractor's responsibility.
10. Arrange for mower repair as needed with prior authorization of town board. Work should be done at a repair shop approved by town board.
11. Bid will be the total amount requested to do all town roads listed below one time. The town board has the option to request roads be mowed a second time at the same price.
12. Payment will be made after a complete mowing is done to the town board's approval.
